During the breaking of ungodly soul ties I forgave, I cancelled judgments and I declared that the ungodly soul ties were broken. When we asked Jesus to come, to speak truth and release peace into my life, I felt this amazing comfort from Jesus that I have never experienced before. Thank you Jesus.

After ministry I felt such hope and purpose.

Torment for her came from traumas experienced with family members. After successfully breaking ungodly soul ties with 10 groups, she relaxed and her countenance showed the joy and peace she wanted so much.

When we did the limb check, one of his arms adjusted $\frac{3}{4}$ " and his right leg adjusted 1". Pain disappeared. Praise God!

LOCAL MINISTRY

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

INTERNATIONAL & NATIONAL MINISTRY

CUBA: Supernatural ministry and building of relationships occurred as 3 team members were in Cuba during the month of December. They prayed with several individuals, releasing healing and declaring the Word of God over their lives.

They established a prayer garden near the church where people could come a pray. Endeavor was made to communicate with members of the Tiano tribe. This tribe was the original tribe the occupy Southern Florida and Haiti prior to the discovery of the America's by the French, who brought in slavery to the island of Haiti, driving out the Tiano tribe. The goal is to deal a death blow to Santaria and Voodoo in the Caribbean, trusting God to release the power of God. Future visits to Cuba will have a purpose to connect the Tianos with Haitians and repent for the iniquity caused centuries ago.

We worked to stir up a gift of entrepreneurship with the Pastor and the church in Cuba. We helped a man get his car running and put 2 new tires on it so he could create revenue as a cab driver. Families live on \$25 per month. As a cab driver, he will be able to make \$25 per week. We encouraged the pastor and the people to stir up the gift of entrepreneurship within them and not be totally dependent on the handout from the government.

YOUR CITY, YOUR STATE: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
