

**TESTIMONIES**

Everett prayed for me the night of the 80th reception for him. I had begun the night before at home with the beginning of a healing touch after my own prayer concerning something growing on my chest. By Thursday's skin doctor appointment much healing had taken place! the PA and then Dr. both seemed baffled. I told them about Sunday night's prayer and Monday night's prayer. both followed by a shrinking of whatever it was. Final diagnose was - Atypical shingles, a form of shingles that did not burn or hurt, and it did not spread. I praise God!

This woman had great concerns about her physical problems... arthritis, neuropathy, diabetes, glaucoma, high cholesterol, and always felt tired. After going through our normal process of ministry she felt lighter and had a tremendous amount of peace as the symptoms disappeared.

Cravings are driving me to addictions. I need help to surrender to the Lord fully and live for God. I broke more than 10 ungodly soul ties and got healing from Jesus afterward. During the deliverance I was amazed that my face contorted as one demon was manifesting and I began to shake as another demon was being expelled. Once the demons were gone the Holy Spirit flooded me with an overwhelming peace and I began to speak out a totally new language. Thank you Jesus.

When Jesus hugged me, it was such a wonderful experience. I could feel Him holding me.

I am so thankful to have access to, and be able to participate in, all the wonderful things that the Lord Yeshua Christ is doing in this place. Praise be to God for His work in all of you to make this happen! I am overjoyed to be part of Deliverance Ministries, and I am ever learning more of the Spiritual depth that is experienced there. I want you to know that I am forever blessed, and praying-praying-praying re: God's power and plan for all of us.

### **LOCAL MINISTRY**

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

### **INTERNATIONAL & NATIONAL MINISTRY**

**CUBA:** Planning for another Cuba trip in September. No fewer than 4 people, no more than 10 or so. Prayer ministry, preaching, orphanages, coffee plantations, and outreach will be the focus. It is all about supernatural ministry and the building of relationships. We will continue to stir up a gift of entrepreneurship with Pastors and the church in Cuba. There will be opportunities to preach this time and release the power of God into Cuba. Please consider if God is calling you to missions in Cuba this year. In the Spirit, do you have a divine appointment in Cuba or divine connections?

**YOUR CITY, YOUR STATE:** We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
