

TESTIMONIES – SEIZURES

I ministered to a woman who had had seizures since she was nine and is 26 now. With small seizures daily and major seizures every few months she was not able to drive or work. She had a physical trauma to the head at age nine but doctors and medications were unable to help. She also had some tough tragedies take place in recent years which had left her with emotional wounds and a need for inner-healing. After the breaking of ungodly soul ties with inner-healing, inner-healing from birth up (She could hear and even see Jesus talking to her which brought major healing to her life) it was time to do deliverance. Instead of doing basic deliverance of working the problem list I felt led to try to get the head demon up. This technique usually only works on about 1 out of 3 but it did come up, It disclosed it had come in at that physical trauma when she was nine by Satanic assignment. After breaking the assignment and making sure there were no more doors open or assignments that were not cancelled, I commanded the head demon to bind all the demons to itself that were under its authority. After confirming this was done I sent them all out as a package to the feet of Jesus. I then anointed her for physical healing and declared a protective seal by the Blood. After the limb check and the brain stem prayer (especially the brain stem prayer with the history of seizures) she then received the Baptism of the Holy Spirit with a beautiful prayer language!! She had to be better! And she is, I talked to her Thursday, she reports no more daily seizures and is feeling wonderful. Wants to go through our training now. Praise God!

CUBA OUTREACH

The plan at this time is to go to Cuba in May, 2015 for 14-21 days reaching out to several Pastors in the area, working with them to meet together for the sake of unity in the Body of Christ in Havana and reach out to the Tiano tribe located at Guantanamo Bay. Cost will be approximately \$3,000 each totaling \$18,000. We are trusting God to provide a sailboat or something similar to travel to various parts of the island for ministry purposes. Richard Peterson, Kyle Upchurch, Tim Bence and 3 others are stepping out in faith. 3 are fluent in Spanish and one is from Cuba. Because of current pledges toward Cuban mission outreach, \$9,000 will be available by May, 2015. An additional \$925 has been received so far. This will be a significant opportunity because of the ministers who are going. So, we will need an additional \$8,075 for the trip. Please pray about giving for this outreach. You will be blessed as you give.

Granting God the Legal Right to fulfill His passion and answer our prayers. When we direct our prayer towards the Courtrooms of Heaven and not just make declarations on the battlefield. I believe that it is in the Courtrooms of Heaven where our breakthroughs can be found. When we learn to operate there we will see our answers unlocked and released. This book will teach you the legal processes of Heaven and your place in it. When we get off the battlefield and into the courtroom we can grant God the legal right to fulfill His passion and answer our prayers.

"You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last—and so that whatever you ask in my name the Father will give you." John 15.16 NIV

PROPHETIC WORD RE: MINISTERS

Do you hear it -- softly, like a heartbeat, it's the sound of life in My people. The sound is rising -- the cadence is increasing. The crescendo is increasing. But all the while the world is roaring with the sound of evil and death. Destructions and decay. But keep you affections on things above and not on things below. My Kingdom is increasing and there is NO END to it's increase. My people are beginning to move as a body, each one in his place. Each one submitting to his calling -- empowered by My Spirit and led by My grace. Keep your eyes, your focus and especially your words on the victory I have purchased for you. Walk obediently in that thing... that thing I've called you to. For you are an important part of that rising cadence that sound of soldiers marching side by side in tune with My calling and part of a great, victorious army that is about to be revealed to the world.

PICTURE OF MINISTRY ON MONDAY NIGHT

Mary Jo shares prophetically in this [video](#) re: Ps. 43 as a picture of how a person feels when they come for ministry, the picture of the spiritual realm, the demonic realm and the victory that is experienced as they embrace the process of healing their broken heart, deliverance, physical healing and the baptism of the Holy Spirit. The book of Psalms is a deliverance manual giving us pictures of victory in Jesus.
