TESTIMONIES – SEXUAL ABUSE

I only had 1 1/2 hour to minister. I moved right into the door closing prayer for closing doors evil spirits typically come through, the breaking of ungodly soul ties with her ex and giving the child she lost over to Jesus for closure. I was then able to get the head demon up which was "Pain." The interrogation went well, Pain could see the warring angels around us that were ready to punish if it did not cooperate. Pain disclosed that it was responsible for the suicide thoughts. Quite a few of the demons were there by Satanic assignment which I specifically cancelled in Jesus' Name. I confirmed there were no remaining doors or legal rights remaining. I then had it disclose the top ten lies it had been speaking into her head. Pain was proud how well she had bought into those lies. It admitted the opposite was the truth. She heard the demon say that. (that will make a person feel better right off) I had Pain disclose her God given gifts. I got Pain and all the demons under it's authority bound up in a package and sent all them to the feet of Jesus for Jesus to do what He wanted with them. I wrote all this down on the yellow tablet and gave it to her after the exorcism.

I invited her to come to the office this afternoon to do some of the ministry steps that I did not have time to do. She didn't show so I called her, she said she was doing so good she did not think she needed to come. She slept through the night without manifestations.

I got to my 2:00 at the office okay, he was standing at the door already. I got the head demon up in him which was "Baal." You can find info on that one on google.com. He also had the suicide lies on him. We had great ministry. This was funny to watch: at one point Baal got rather belligerent and did want to answer so I called on the Angel Michael. Baal started crying saying, "No, not Michael, not Michael." Big tears... He cooperated fully after Michael showed up. I was able to do all the steps with him including the limb check and brain stem commands, (he had a short arm that adjusted), and the Baptism of the Holy Spirit. Interesting comment, the case I had Monday evening from N. Missouri was suicidal as well. That spirit is rampant. This man had a horrible childhood plus had been in combat with the Marines in Afghanistan. He needed a Jesus over haul...And he got it. Praise God.

CUBA OUTREACH

The plan at this time is to go to Cuba in May, 2015 for 14-21 days reaching out to several Pastors in the area, working with them to meet together for the sake of unity in the Body of Christ in Havana and reach out to the Tiano tribe located at Guantanamo Bay. Because of the number of days that we are going to be in Cuba, the cost will be approximately \$3,500 each totaling \$14,000. We are trusting God to provide a sailboat or something similar to travel by water to various parts of the island for ministry purposes. Richard Peterson, Tim Bence and 2 others are stepping out in faith. 2 are fluent in Spanish and

one is from Cuba. Because of current pledges toward Cuban mission outreach, \$9,000 will be available by May, 2015. An additional \$1,925 has been received or pledged so far. This will be a significant opportunity because of the ministers who are going. So, we will need an additional \$3,075 for the trip (approximately). Please pray about giving for this outreach. You will be blessed as you give. <http://delmin.org/donate>

PROPHETIC WORD RE: MINISTERS

Do you hear it -- softly, like a heartbeat, it's the sound of life in My people. The sound is rising -- the cadence is increasing. The crescendo is increasing. But all the while the world is roaring with the sound of evil and death. Destructions and decay. But keep you affections on things above and not on things below. My Kingdom is increasing and there is NO END to it's increase. My people are beginning to move as a body, each one in his place. Each one submitting to his calling -- empowered by My Spirit and led by My grace. Keep your eyes, your focus and especially your words on the victory I have purchased for you. Walk obediently in that thing... that thing I've called

you to. For you are an important part of that rising cadence that sound of soldiers marching side by side in tune with My calling and part of a great, victorious army that is about to be revealed to the world.

PICTURE OF MINISTRY ON MONDAY NIGHT

Mary Jo shares prophetically in this **video** re: Ps. 43 as a picture of how a person feels when they come for ministry, the picture of the spiritual realm, the demonic realm and the victory that is experienced as they embrace the process of healing their broken heart, deliverance, physical healing and the baptism of the Holy Spirit. The book of Psalms is a deliverance manual giving us pictures of victory in Jesus.
