

TESTIMONY: INTEGRATION OF SOUL FRAGMENTATION

During my first deliverance session, we determined that the head demon was a demon of hate and there were 9 others with it. They were eventually all removed. I also received supernatural healing in my back. Jerry commanded every bone in my body to adjust into position in the way in which God intended. I felt the vertebrae in the middle of my back adjust up like louvers on a window blind. All Praise to Jesus! That healing is still in effect today! My muscles are still having to get used to the new position of the vertebrae. By the end of the session, I felt the love of God so strong around me. It was just the same as it was when I first receive the Holy Ghost about 11 year ago. I had forgotten how good that felt.

It didn't take long for the enemy to jump back in and start harassing me again. About a week later, I could feel it in me again. Caught in the throat/chest area. I went back for a second deliverance session. This time, I brought my family. My wife received healing in her knees and her faith shot through the roof. My son received healing in his back, just as I did. I'm so thankful that they received these supernatural touches from the hand of God. I can say that opportunities and blessings that have been shut off to this family for about 10 years are now beginning to open up again. God is urging each of us to step it up in our walk with Him.

Aside from the above, my second deliverance session turned out to be really tough. The demon of hate was very resilient and did not want to come out. It seemed that it had some roots of unforgiveness. Although it was severely weakened and cut up pretty good through that session, it remains today. I can say, though, that God is REALLY helping me through this. Although I think I have forgiven, there must be some down deep inside that it giving this demon of hate a legal right to hang on.

God has really impressed on me to rededicate myself to Him and surrender areas of my life that were previously closed off. Also, the importance of reading His Word daily, which not only clean and heal this tormented vessel, but will help to ensure that this demon is so uncomfortable being in this house that it will do whatever it take to uproot and leave. I've got to stay in that Word!

I do have a question for you and I know you'll have the answer. During my second deliverance session, the Holy Spirit took me to a point in my life where I was about 3 years old. In my mind, I saw a baby, laying on what looked to be a concrete altar about 2-3 feet tall. The altar looked like a pyramid shape with a flat top. The baby was laying flat on its back and it had shackles around its wrist and ankles. All four shackles were chained to the altar. Somehow, I just scooped the baby off the altar and held it up to my chest to comfort it. The chains and shackles disappeared. The baby then melted into my chest, like it was a part of me. About that time, the deliverance minister said, "Do you love that baby?" I said, "Yes." He said, "Then hold that baby up to you and let it join back to you." or something to that effect. I was amazed

that he was instructing me to do something that I just did, but had not told him had happened.

I felt that this baby must have been me at a very young age. Memories were coming to me that I felt that my dad slapped me in the face real hard for somehow tearing up his stereo system at that time. I really haven't confronted him about that and I really don't intend on bringing it up. My question about this whole situation is, was that a fragmented part of my soul that was being joined back to me again?

OUR ANSWER: Yes, this baby was a fragmented part of your soul that was held in captivity that Jesus integrated back into you. Timing? It is a matter of readiness and the Sovereignty of God.

BOOK RECOMMENDATION BY TREY MERRICK

Testimony from Richard and Mary Jo Peterson. We have implemented the training we are receiving from this book twice. In both cases, Father God was seen in the Spirit standing up and declaring that what we had interceded for was completed in the heavenlies with a righteous judgment.

Courts of Heaven by Robert Henderson

Granting God the Legal Right to fulfill His passion and answer our prayers. When we direct our prayer towards the Courtrooms of Heaven and not just make declarations on the battlefield. I believe that it is in the Courtrooms of Heaven where our breakthroughs can be found. When we learn to operate there we will see our answers unlocked and released. This book will teach you the legal processes of Heaven and your place in it. When we get off the battlefield and into the courtroom we can grant God the legal right to fulfill His passion and answer our prayers.

PROPHETIC WORD RE: MINISTERS

Do you hear it -- softly, like a heartbeat, it's the sound of life in My people. The sound is rising -- the cadence is increasing. The crescendo is increasing. But all the while the world is roaring with the sound of evil and death. Destructions and decay. But keep you affections on things above and not on things below. My Kingdom is increasing and there is NO END to it's increase. My people are beginning to move as a body, each one in his place. Each one submitting to his calling -- empowered by My Spirit and led by My grace. Keep your eyes, your focus and especially your words on the victory I have purchased for you. Walk obediently in that thing... that thing I've called

you to. For you are an important part of that rising cadence that sound of soldiers marching side by side in tune with My calling and part of a great, victorious army that is about to be revealed to the world.

PICTURE OF MINISTRY ON MONDAY NIGHT

Mary Jo shares prophetically in this **video** re: Ps. 43 as a picture of how a person feels when they come for ministry, the picture of the spiritual realm, the demonic realm and the victory that is experienced as they embrace the process of healing their broken heart, deliverance, physical healing and the baptism of the Holy Spirit. The book of Psalms is a deliverance manual giving us pictures of victory in Jesus.
