

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way **Doing the SUPERNATURAL Works of Jesus.**

Deliverance Ministries functions because of volunteers who come on Monday nights to sow their time into the Kingdom of God doing the SUPERNATURAL works of Jesus. We need volunteers to do some office work.

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights.

Local Ministry

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others, need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

Thank you

Everett: Praise the Lord. My wife seems like a changed person. She had a conversation with her mom today that went extremely well. It was the best conversation she had in years. Usually this time of the month my wife is extremely aggressive/angry. Right now she is wonderful to be around. She wants to reconcile with someone in church that she has had a disagreement with. Her counselor wants me to document the changes over the next few weeks. I believe they want to see how it goes with her. I wouldn't be surprised to see our ministry forward people toward your ministry in the future based upon my wife's results. Our ministry knows about deliverance but doesn't practice it. Thank you for what you do. The last two days with my wife have been the best in years. God bless you brother.

Testimonies

My husband has done so great ever since you worked with us & he tells people about how much deliverance ministry has blessed our family. I have Jesus to thank for my family being saved but also your ministry because it opened our eyes to see God's higher purposes! I will never be able to thank you or our Jesus enough... but your rewards in heaven will be so great for all that you & the other ministers do for God's people. Thanks so much,

God gave me knowledge... The woman I ministered to turned grey when breaking ungodly soul ties... Mom and Grandmother. The face turning grey was the curse of death the Mom and Grandmother spoke to her at birth several times because she was not a boy. It was a death spirit/demon. She sent the death spirit to the feet of Jesus. Suicide and death spirits were sent to the feet of Jesus... And it left. Her color came back and pinkish. All was so peaceful too, tears only. Wow --had to share the knowledge I received.

We are increasing the number of people that we are ministering to every week. Sunday, Everett ministered mass deliverance with team members present to over 60 on Sunday night. Yawns and coughs, belches and burps, no outcries. He was quite weary when we, a team of 16 ministers and 7 trainees, ministered to 29 Monday night. The total number who attended Monday night was 62. We have been asked to provide deliverance ministers to a professional counseling service in the Moore area. We are calling on angels to send in more team members as we rely on the Holy Spirit to grow this ministry according to His plan. We bless all those who minister, learn and receive ministry, and those who give and pray for those of us involved.

During a limb check we discovered that it was important to forgive God. When we are ministering to someone with a strong religious spirit (s), Everett recommended binding and gagging those religious spirits during ministry, sending them to the feet of Jesus later. One thought re: ungodly soul ties, it would be good to break ungodly friendship ties based on improper relationships with the opposite sex. Our mates need to be our best friend, not someone else.

International Ministry

3 women from Naples, FL visited Deliverance Ministries to interact with us and receive first hand training in our process of ministry. For one, this was her second trip to Oklahoma City to meet with us. Everett and Richard met with them for lunch to discuss some of their experiences so that they could get some questions answered. They have taken this ministry into other countries... recently

returning from Honduras where they ministered as a team of 10 in a Women's Conference and one on one in orphanages. One experience with a baby gave us clear indication that babies can be under the influence of evil spirits and refuse ministry.

The Tulsa connection, God's ER at Victory Christian Center, under the capable leadership of Sandra Williamson, has ministered effectively in the Dominican Republic.

We have many requests to come to various nations around the world. We will be weighing each opportunity with calling and ability to go. Cuba, Africa, India are areas we are praying about.
