

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way **Doing the SUPERNATURAL Works of Jesus.**

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights.

**Special Need:** At the present time we need prayer partners who would partner with this ministry in prayer... intercessory prayer... for increase in those ministering to others in various parts of the U.S. and for revelation and humility amongst those who recognize their need for ministry.

### **LOCAL MINISTRY**

Another Monday of supernatural signs by God's power! A total of 19 came for ministry on July 9, and a trained minister for each doing the breaking of ungodly soul ties, healing of emotional wounds of the past, deliverance and physical healing. Some receiving the Baptism of the Holy Spirit with speaking in tongues. No wonder we as the ministers go home being high on the Holy Spirit. My high usually lasts for several days.

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others, need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

### **THANK YOU**

Thank you again and again for all u do to serve the KINGDOM of GOD...!!! My sheep skin is looking better because of u allowing the LORD to use u.!!

Thank you for writing your book Doing the SUPERNATURAL Works of Jesus. I have felt that I needed help to get back on the road to where I needed to be. Meeting Lynn Myers, being introduced to his church and your book have made a major difference. I especially like the section on how I can minister to myself. Now, I am encouraging my wife and my children to follow the path to Jesus. I am so excited that I can't stop talking about it.

I cannot begin to thank you for the time you had taken with me this past weekend. I really appreciated the whole process and giving me a few nuggets that I needed enlightenment on. I will continue to use the prayer that you gave me and let you know how everything is going.

Thank you for the 5.5 hours you spent with me on the phone. I feel alive once again.

I cannot thank you enough for your help. I am doing so much better I kept praying with the prayers you wrote and can say I am doing tons better..I can feel my love coming back...

### **TESTIMONIES**

**How are you?** Okay I have great news....

wait for it....

**I AM FREE!!!!!!!**

**That's Our God:** Last Monday night Everett asked that I agree with him in prayer because it seemed that two of the people who came for ministry were very resistant. They really didn't want to be there. So we agreed in prayer. Also, I led the teams in a prayer of agreement, binding spirits that would resist and cancelling communication lines with the second heaven calling on the angels to help. Both ministries were very successful that evening. In one case, the girl that came for ministry was set free from 20 demons after integrating 7 alters (MPD) into the white light of the Holy Spirit. All accomplished in 2 hours. We serve an amazing God.

**Limb Check:** When Richard and Mary Jo went on vacation to Colorado, Mary Jo's brother Ron fell 40 feet down the mountain rolling head-over-heels backwards. Mary Jo cried out to Jesus for help and called on the angels to stop him. He stopped on his feet at the edge of a 75 foot cliff. Ron had a gash in his head and was given 11 staples to close the wound. Ron was most grateful that he did not break anything. When he arrived back at the mountain property for the evening, Mary Jo and Richard walked through the limb

check with him. He was most concerned about how he would feel the next morning. As he was receiving ministry he felt heat and felt his hips shaking as he was being adjusted. The next morning he felt very little discomfort and was very excited about what God had done. He is adding this to his miracles at the mountain stories.

**Fear:** God has gathered together five men from the Cleveland Area who were not satisfied with their spiritual lives. They come from various religious backgrounds and a diversity of professions. Ages range from 25 to 61. However there is an absolute commitment to the Lord and complete unity. No one has an agenda. Our coming together was by divine appointment. We are now meeting once a week for prayer and fellowship. The presence of God during this time is just awesome. We are already witnessing answers to prayer. I was told that two other men heard about this and will be joining us. Since there is not church in Cleveland that is fulfilling God's purpose and ministering to His people, we are praying that we will have an impact on the community. It would be our heart's desire that one of the local pastors would sell out to Jesus and that God would pour out His Spirit in a local church. This is so exciting because Connie and I have been praying for years that God would gather His people from the east, west, north, and south and that He would establish a true witness in this region.

I also know someone at church whose wife was pregnant and the father came for prayer and the Lord showed me he was in so much fear due to the wife being pregnant and being in fear of how to support and feed another person; they have two other children, so this would be the third one. You could see his fear was effecting the wife also and she was having complications in her pregnancy and ended up having a stillborn child at the end of her pregnancy, which I know was due to the fear from the parents, since that is what the Lord revealed. In addition, they both came for prayer with the two other children and the younger one had a rash/allergy all over her body that would not go away and during prayer the Lord revealed it was due to the parents and their fear. It's amazing..., but God's greater!

**Curious vs. Serious:** We encourage anyone curious about deliverance, the supernatural, healing or emotional healing to visit us on Monday nights at 5.30 pm or visit our web site at delmin.org. Recently, we have had some people attend the Monday night teaching session regarding driving out demons and taking our healing, who have been interviewed for ministry to find out that they were not serious, they were not desperate, they were not willing to do whatever it takes to get free. Several teenagers had been dabbling in the paranormal and were scared. All but one of them got what they came for; but one was not willing to choose Jesus instead of the paranormal fascination. He will probably be back. Another young man was not willing to forgive his Dad. Jesus has said that if you don't forgive He will not forgive you. Humility, repentance and forgiveness is a requirement to get free and stay free. One of the ways that people qualify for ministry is to be serious, to be desperate and willing to do whatever the minister is asking.

**Be Careful Who You Receive Ministry From:** We have had two people come to us for ministry in the last month experiencing problems that can be traced back to a time that they received deliverance from another ministry. It looks mighty suspicious. Whenever we are dealing with the supernatural, it is most important that the ministry is scrutinized so that you know the spirit in which people are ministering.

### **INTERNATIONAL & NATIONAL MINISTRY**

**Elk City, OK...** Professional counselor couple are now attending training in Oklahoma City so they can include deliverance in their counseling center.

In **Cuba**, continuing to prepare for the October mission to Havana, Cuba. We have had two planning and prayer meetings at the office for the team. Kyle Upchurch and Johnnie Mae Sanchez will be flying to Miami, FL Oct. 4, before flying into Cuba. God is so good. He has provided financially and is giving clear vision for the trip. **Florida Connection:** Kyle and Johnnie Mae will meet with several deliverance ministers from Naples, FL to discuss future plans for ministry in Miami and Cuba. **PRAYER SUPPORT** The Cuba Mission team is looking for prayer support while they are preparing and as they go to Cuba. They are in the process of putting together a prayer of agreement.
