Deliverance Ministries functions because of volunteers who come on Monday nights to sow their time into the Kingdom of God doing the SUPERNATURAL works of Jesus.

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights.

LOCAL MINISTRY

Another Monday of supernatural signs by God's power! A total of 19 came for ministry on July 9 and September 24, and a trained minister for each doing the breaking of ungodly soul ties, healing of emotional wounds of the past, deliverance and physical healing. Some receiving the Baptism of the Holy Spirit with speaking in tongues. No wonder we as the ministers go home being high on the Holy Spirit. My high usually lasts for several days.

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others, need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

I cannot thank you enough... I spent the last few days going through your book...praying and getting set free...I found the part about the protectors VERY helpful...and I can say that I am truly forgiving people and asking God to set them free also....thank you for advancing the KINGDOM of GOD...!!!

Thank you, Thank you, Thank you!!! Just wanted to check in. I received deliverance on Monday night! Hello.. what I had been searching for for YEARS! I woke up this morning at 5:30 with a start and this feeling of incredible depression came over me like death.... I pointed my gun... shot it... Got out of bed and prayed for a few hours. LOL Laviathan is gone so praying was so easy and such a blessing!!! Kyle and Johnnie Mae were just what I needed. He kept telling the demons that this wasn't his first rodeo.. I guess not!! There was some heavy duty stuff that I felt needed to be addressed. What a comfort it was for me to see Kyle just go after it with no fear and full belief that he has ALL POWER. They were a one two punch.. seeing things in the spirit and extending God's love.

TESTIMONIES

Also need to pass on praise reports to you. You had ministered to Josh and Anna, our son and daughter-in-law. As you probably recall, their family was in danger of unraveling. The change in thier lives as the result of your ministry is miraculous. Although they still have to face life's challenges, which sometimes seem overwhelming, they are doing their best to walk with God. Anna's life has been transformed. She has a sense of self worth and confidence that only God could give. We are so proud of her and so grateful that God manifested His love to her and now she has HOPE. You also ministered to our son Michael. He has totally sold out to the Lord and has a burning passion to know God's will for his life and to do it! Thank you for being faithful in the ministry that God has given you.

Because of what I learned Monday night I was able to focus in on some pieces that I was missing and I believe that I am shooting my gun right at the target regarding my son.. He is at Rob's Ranch and because of the open doors the demonic is really going crazy with him right now He almost got kicked out for sleeping through class... We are praying that he can keep it together until the next Monday meeting.... And then we want to ask permission to have him come to deliverance. We wanted to wait until he was out of the 90 day recovery, but it seems that the demonic activity is pretty strong. Do you suggest we try to bring him in at the next opportunity on Monday?

In the mean time I am praying the closing door prayer over him every day and then also praying for him at a distance binding all the things that are problems in the box..... daily. I don't know what else I can do except pray in the spirit for him.

I am looking forward to coming to training. This is going to be a God-send. Thank you so much for all you do. SO Glad I bought your book, because it is all there. That will be part of the arsenal I will have

with me wherever I go.. Lot's more to learn, but I am excited to know there is somewhere that I can go to learn.. I love Eileen Fischer... Yup, I was one of the 1/3 of the people that that method was effective with. Hundreds of demons had to flee.. AMEN.

I feel a million percent better! I am totally at peace... everything is much more peaceful at work, and personally, for which I'm thankful. Thank you again for being so gracious. It is a wonderful feeling to know that you can actually trust someone to pray w/you, and not against you.

INTERNATIONAL & NATIONAL MINISTRY

Elk City, OK: Professional counselors have teamed up with deliverance ministers who have been trained in Oklahoma City to minister in their area. It is truly exciting to see what happens when people feel a call to minister the SUPERNATURAL works of Jesus, get trained and step out to do it. God is good.

Cuba: Kyle Upchurch and Johnnie Mae Sanchez will be meeting an additional 20 missionaries to Cuba in Miami, FL on October 4. They will be in Cuba ministering on the streets with guitar and violin as they continue to deal with Santaria in Havana, Cuba. They will be meeting with a Santaria High Priest and some of his friends over dinner so that they can demonstrate the love of God. PLEASE PRAY for them while they are gone, as well as their preparation, their families and their follow-up month after being in Cuba. They have had powerful ministry experiences preparing for this mission. God is good.
