

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way *Doing the SUPERNATURAL Works of Jesus.*

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights. Invite them to experience the same freedom you have experienced. We have cards available on Monday nights and at the office for the purpose of handing out to those who are experiencing problems that are most likely caused by evil spirits. Pick up cards and hand them out.

LOCAL MINISTRY

5:30 pm Monday nights beginning January 7, 2013 at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

We are so grateful for the prayers of the deliverance teams during the crisis with our granddaughter. It is exciting to see answers to prayers. We have seen a major victory in Lilly's life turning a life-threatening experience into a testimony for Jesus.

Thank you for being there. In my concern for my son I have received ministry and prayer with a different deliverance ministry. Nothing seemed to happen with them. However, I have sensed great authority in your ministry and I see the results of your ministry and prayer. Thank you.

Everett, thank you. Thank you for establishing Deliverance Ministries. Thank you for your faithfulness through the years to listen only to that still, small voice inside of you instead of the people who don't understand and don't agree or criticize. Thank you for being so flexible. You are always open to new ways to doing this works of Jesus and doing it in a way that bears the greatest amount of fruit with the greatest number of people with processes that are easy to learn and easy to implement. Truly, believers do drive out demons.

QUOTE

¹The LORD is my light and my salvation—
so why should I be afraid?

The LORD is my fortress, protecting me from danger,
so why should I tremble?

²When evil people come to devour me,
when my enemies and foes attack me,
they will stumble and fall.

³Though a mighty army surrounds me,
my heart will not be afraid.

Even if I am attacked,
I will remain confident.

⁴The one thing I ask of the LORD—
the thing I seek most—

is to live in the house of the LORD all the days of my life,
delighting in the LORD's perfections
and meditating in his Temple.

⁵For he will conceal me there when troubles come;
he will hide me in his sanctuary.

He will place me out of reach on a high rock. Isa. 60.1-5 NLT

TESTIMONIES

I had to get delivered to be able to walk in discipline. I have to walk in discipline to stay delivered. The deepest part of my deliverance was confessing pride and control. Food was the biggest thing in my life that I was in charge of. I didn't let anyone tell me how to eat. When I let go and repented of pride, putting myself in the place that is only God's, I got delivered. Oh, by the way, gluttony left too. It was almost like a side effect.

I went through a four step process. 1. Repentance. 2. Deliverance. 3. God brought someone across my path who shared the discipline I could embrace. 4. I have had daily choices. I worked hard to not beat myself up. When I make unhealthy choices, I just quickly turn around (repent) and get back on the path of good choices.

Deliverance ministers help people to get set free from those things that torment them and drive them into ungodly lifestyles and thought patterns. Then, after deliverance from the demons that are driving them, they have the ability to embrace the disciplines of the Holy Spirit so that they can stay free.

The greatest thing I had to avoid was a pattern of saying I'm bad, I didn't do it right, why can't I change, I'll never get this right, I'm hopeless... condemnation personified. I don't even go to that place. It makes it so easy to turn and go the right direction. To walk free of that is amazing. It is an amazing new direction for my life. Thank you, Jesus. Thank you, Deliverance Ministries.

INTERNATIONAL & NATIONAL MINISTRY

Elk City, OK: Craig Platt is beginning a weekly Monday night Deliverance Ministry based on training and ministry he has received in Oklahoma City. He is excited about the doors that are open for ministry in Elk City. If you are interested in volunteering with him in this new venture, contact him at (580) 374-7122. Craig has already had some pretty spectacular ministry and events taking authority Jesus has given to him in Elk City America.

Indonesia: We have authorized a woman from Indonesia who lives in Oklahoma City and has a heart for Indonesia to translate Everett's book and additional materials into their language so that she can have it published in their language to train people in the church to do the SUPERNATURAL works of Jesus. We

have discovered that there are several people in Oklahoma City that have an interest in Indonesia and have ministries already established there. Our plan is to connect them so that we can develop a plan for the release of this book in their language and the training of local believers. Jesus said, “Believers shall drive out demons,” Matt. 16.

Your city, Your state: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
