

Declaration for ADD and ADHD

- In Jesus' Name, we command healing to any structural brain abnormalities that have been passed down through the generations or that have been caused by stress in the womb.
- We command healing to the transmitters, axon and synapse within this one's brain function to normalize the firing and receptors to be normal. Amino acids and chemical releases, normalize and neurons perform and function normally.
- In Jesus' Name we command healing and restoration of each base pair to its intended function.
- We command adjustment and healing to those parts of the brain that need healing especially in these parts according to this individual's needs :
 - In the cerebral cortex, prefrontal and frontal lobe.
 - In the parietal lobe and the occipital lobes
 - In the temporal lobes and the brain stem.
 - In the cerebellum.
 - In the thalamus and the hypothalamus areas.
 - In the Broca's Aphasia and the Wernecke's area.
- We command the neurological interruptions and over firing to normalize. We command balance and renewing to the neurological pathways and brain wiring to be routed in a way that would bring health and healing to this person.
- I bind and cast out the familiar spirits of ADD and ADHD.
- I bind and cast out the spirits of rejection, self-hatred, rebellion, jealousy and envy.
- I bind and cast out the Deaf and Dumb spirits and any Beelzebub babbling spirit.
- I bind and cast out any homosexual spirits and double-minded spirits in the name of Jesus.
- I healing in the name of Jesus Christ of Nazareth.
