

Schizophrenia – Declaration & Prayer

- Holy Spirit, Healing Angels, release healing to any structural brain abnormalities that may have been passed down through the generations or caused by a virus.
- Come, Holy Spirit, administrate Healing Angels, and heal any change or disturbance where the gene and chromosome are linked together, or the wrong placement of the gene, which may have been caused by a retrovirus.
- We speak restoration to any gene that has mutated back to the structure that He planned for it to be from before the foundation of the earth when Jesus was writing in my book of remembrance. We release healing and restoration to any mutated gene whether it was passed down in a mutated state or has suffered mutation from a virus or any other reason.
- Cleanse the blood. We command the person's blood to line up with the blood of Jesus that heals and restores the DNA. We command cleansing of the blood cells within the individual.
- We repent for and break any generational curse or sin that caused the mutation of the gene or genes that have been passed down generationally.
- Come Holy Spirit with Your accompanying Healing Angels as we command all genes to properly align as they should be on the chromosomes.
- We release healing and alignment for Chromosome 22Q11 and any genes that are attached to that chromosome to be healed and properly aligned in Jesus' Name.
- We speak to the specific genes PRODH2 and COMT. We command that any changes or deletions in the makeup of their protein that causes an inborn error of metabolism causing schizophrenia... be healed and restored to what God intended from before the foundations of the world. Holy Spirit, we release a creative miracle in Jesus' Name.
- We partner with the Holy Spirit, Jesus, the Christ and Father God to heal any changes in these genes or how they attach to the chromosome. We speak healing... we release healing and restoration in the power of the Holy Spirit releasing Healing Angels to heal and restore.
- We partner with the Holy Spirit and Healing Angels to cause any enzyme that is associated with, produced by, or controlled by PRODH2 or COMT to be balanced and brought into alignment with His original plan, declaring His Word is true.
- We partner with Holy Spirit and Healing Angels commanding deletions of abnormalities or lack of COMT that may be because of a gene mutation to be healed and restored. As needed, we release healing and a creative miracle to recreate, adjust, and/or restore this gene. We declare that whether it is passed down in a mutated state or if it suffered mutation from any chemical, that it will be healed or recreated by Holy Spirit and Healing Angels through our decree. We release healing and restoration to any viral alterations or inherited generational disturbances in its makeup within this person, in Jesus' Name.
- By faith in Jesus' Name, we release the healing of Chromosomes 2, 10, and 22. Healing, flow to any translocations especially involving Chromosomes 10T11-15 to 22Q12 in the DNA structure of the individual.
- We partner with the Holy Spirit and Healing Angels to heal and restore each base pair to its intended function.
- We speak healing to the neurotransmitters, receptors, and synapse.
- We partner with Holy Spirit and Healing Angels to balance the amount of dopamine and serotonin to create levels that would bring normal healthy and healed function.
- We speak to the brain chemicals to allow the Godly communication between each brain cell to receive and retrieve information normally. We release total healing of the synapse, axon and synaptic fluid to be balanced to act and react according to God's original plan for them to function.
- We release healing and restoration to the cortical structure in the midsection of the brain's lobes.
- We command healing and restoration to the prefrontal cortex and lobular areas in partnership with Holy Spirit and Healing Angels.
- We command the neurotransmitters that are producing nor epinephrine, dopamine and serotonin to synchronize, regulating them to interact in a way that will cause healing and health in Jesus' Name.
- We release the power of the Holy Spirit to heal and create as well as redesign and restore any and all pathways in the brain that need Your healing touch.
