

DELIVERANCE MINISTRIES

***IRON DOME INTERCESSORS***

DAILY PROCLAMATION

1. Father God, I thank You for Everett Cox and for Deliverance Ministries and the decades that they have been delivering the captives and setting them free.
2. Father God, I ask for an overwhelming force of warring angels to come right now and back my every command.
3. In Jesus name, I break and render null and void every curse and assignment, spoken or enacted that has come against Everett and his family, Deliverance Ministries, it's ministers, students, those that have come for ministry and donors past, present and future.
4. I charge the angels to search these people and take control of every curse and assignment and the demons associated with them and return them to the human senders multiplied and the ones originating from Satan's kingdom to be taken where Jesus directs.
5. In Jesus name, I call forth a river of financial provision for past, present and future donors that will be more than sufficient to begin to accelerate the growth of this ministry locally and globally. The finances for all those who participate in the ministry I speak a shield from the stealing hands of the enemy.
6. We loose the Holy Spirit's convicting power on all those that You, Father, would have to be financial contributors to this ministry.
7. We charge you angels to bring the financial harvest in regularly and that the financial windows of heaven will be opened.
8. I speak to the anointing of power and authority that You, Holy Spirit, have given the ministry team to be constantly increasing in Jesus name.
9. Now in Jesus name, I bless Everett and his family, his home, his finances, Deliverance Ministries, it's ministers, student, those that have been ministered to and all donors past, present and future, mentally, physically, spiritually, emotionally and financially in Jesus Name!
