

Mormonism *EXPOSED!*

Compiled and edited by David J. Stewart

Almost everyone knows to beware of the Jehovah's Witness; but, the Mormons are different, they lure people in by claiming to be a Christian organization, and by their claim to be family oriented, and their friendly masquerade of kindness and love. Keep in mind they only "claim" to be a Christian organization.

The reason they say this is because they think that if you believe in Christ then you are a Christian, when in fact this is not true at all, because Satan and his demons believe in Christ, but that does not make them Christians now does it. They claim this while secretly in there doctrine the call our Christian churches the whore of Babylon, and Christian preachers, heretic disciples of Satan.

They believe that we are the occult and not them. The Mormons are very powerful in the world today and have Power because of their wealth. The Marriott Hotel chain is owned by the Mormon Church, and there is Mormon Literature in every room.

Mormons are very affluent with the dead. They 9claim to be visited regularly by dead family

members. They are being deceived by demons. They actually believe that through prayer, these people can receive salvation even in death. They associate very much with the dead. The Pastor of the *First Satanic Church*, and the author of the *Satanic Bible*, is Anton LaVey. In his *Satanic Bible*, LaVey lists, under "In fernal Names," one of them as "Mormo," which is the God of the living dead, and the king of the Ghouls.

The followers of Mormo, are called Mormons. Take that and chew on it a while. Coincidence? I don't think so. The Mormon Church is the owner of the largest Genealogy center in the world, and they deal directly with the dead ancestors of the living. Mormon missionaries have had a hard time witnessing in China, and it is not because of it's communists rule. It is because the word Mormon in Chinese means Gates of Hell.

Now let me give you a little History on the Mormon Church. In 1821 a young treasure seeker named Joseph Smith claimed to have had a vision from God. First he said it was from Jesus, then he said from Jesus and many angels, and then he said that it was from Jesus and God the Father. This is what they go by today. **Mormons claim that Joseph Smith was visited by Jesus and**

God the father; but the Bible tells us that no man can look upon the face of God and live. He was also visited by a so-called angel named Moroni, who supposedly told him about a secret manuscript, written on golden plates, telling the true Gospel.

And that he was to translate this into the *Book of Mormon*. Let me truly begin here and tell you what they believe. They believe that long ago from an unknown god, and goddess, was born a man named Elohim who was later born to human parents, and he lived his life and became a god like his father. He is also claimed to have fathered many children. Two of them in particular are named: one is Jesus, and the other is Lucifer.

They decided to put all of Elohim's many children on a planet, and that the planet needed a savior the bid, for it came down to Jesus and to Lucifer. But Jesus won out because he had unselfish reasons. But then Lucifer revolted and turned many of Elohim's children against him, and they were banished to the earth, never to have physical bodies. The people who were on the side of Jesus were very light skinned. And the people who remained neutral in the battle, their skinned turned black and this is the Mormon explanation for the black race. Mormons believe after that battle, the people were sent to Earth,

and Elohim came to earth, and had sex with Mary, and that is how Jesus came to Earth.

They also believe that Jesus took three wives while on Earth: Mary, Martha, and Mary Magdalene. They also believe that Jesus fathered many Children during his time on Earth, and that Joseph Smith their founder was a direct descendant of Jesus. They believe that after a life of Mormonism and a Mormon marriage has taken place, that when they die they will become gods too. They also believe that they will have their own planet, and many goddess wives, and their job for eternity will be to populate the planets. I know how far fetched this all sounds, but these people actually believe this mess.

Mormonism is a sex cult. And we never would have guessed any of this from those sweet family-oriented Mormon commercials on TV. People please be aware of these dangerous occults. These people are lost and on there way to Hell. They desperately need Jesus.

What Does this Creepy Image Mean?

Above: The Mormon entrance to the Salt Lake City, Utah, Temple (notice the all-seeing eye). Mormon founder, Joseph Smith, was a 33rd degree Freemason. See, [Mormonism and Freemasonry](#).

Above: The [Masonic](#) all-seeing eye patch (again, carefully notice the pyramid). I'm not making this stuff up folks, this is real. Satan requires an allegiance, and in turn offers men all the wealth, sex, power, and heaven on earth they could ever enjoy; BUT, this is the only heaven they will ever know. As Believers, we must remember such Scriptures as 1st John 2:15, "Love not the world..." Most of the world's religious leaders have sold out to Satan, as you will see below. This Satanic allegiance is also in the [music industry](#). And in the [corporate industry](#). Indeed, Satan is the god of this world.

Below: Carefully notice the all-seeing eye with a handshake on the Mormon temple entrance. Now look at the Masonic image above and notice the same handshake and creepy eye. Clearly, Mormonism is Masonic.

Mormonism is of the Devil

Let's recognize Mormonism for what it is...A CULT! The lie of Mormonism is not a new problem. Paul himself had to deal with the issue of "cults," those who perverted the Gospel. Paul spoke of this often in his writings, "...but there be some that trouble you, and would pervert the gospel of Christ" (Galatians 1:7). Cults are nothing new. The bottom line in Mormonism is a denial of the deity of Jesus Christ.

In Revelation 1:8, Jesus Christ proclaims that He is Almighty God! Nearly every cult denies the deity of Christ or somehow diminishes it. Many

Mormons will lie to you and say that they believe in the Jesus of the Bible, but they are not telling you the truth. In Mormon theology, their Jesus is NOT a deity! THE JESUS OF THE BIBLE IS ALMIGHTY GOD!

Although Mormons use the Bible, it is NOT their final authority as it is for the Christian. Their authority lies in the writings of the lunatic Joseph Smith and their cult's Doctrine and Covenants statement. Only faith in Jesus Christ, the Jesus of the Bible will get you into Heaven. The Mormon cult spends tens of millions each year in public relations to portray themselves as "just another Christian church." DO NOT LET THEIR ADS FOOL YOU. They are no more a Christian church than your local mosque is!

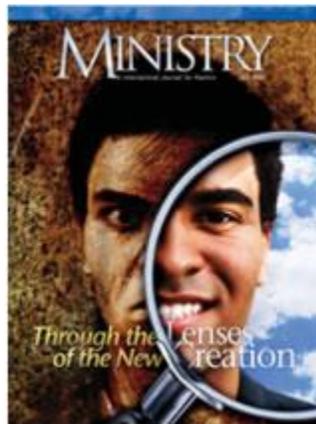

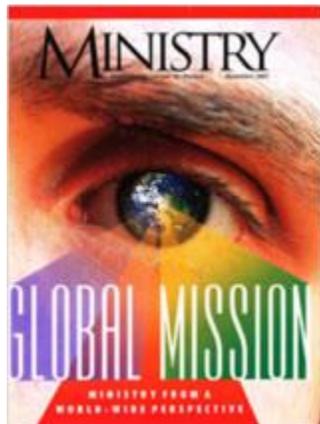

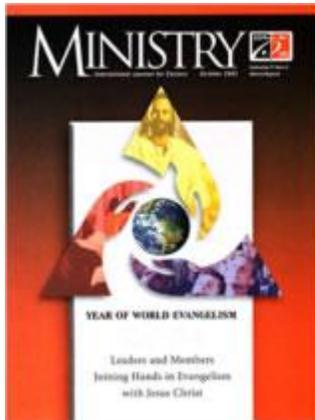

WARNING: Do NOT be taken in by the warm and fuzzy exterior of this cult, Mormons are NOT Christians. And when they say the name Jesus, it is NOT the Jesus of the Bible! Jesus said, "Ye must be born again!" -John 3:3.

ABOVE: The all-seeing-eye on the dollar bill, which Americans see every time they make a cash transaction. It is common knowledge that American was founded by Freemasons. Under the illuminati pyramid/eye symbol are the words: "Novus Ordo Seclorum," which is translated as: 'A new order of the ages.' Today, America's politicians, our military, and our finances are being [exploited by the New World Order gang](#) for their own selfish agendas.

Above: Even children's shows have become saturated with New Age occultism--conditioning the masses to receive the coming antichrist. This stuff is real folks! It's actually very simple, and nothing to be scared about if you're a [born again Christian](#). 1st John 4:4 states, "*Greater is He (Jesus) that is in you than he that is in the world.*" The god of this world is no match for the Holy Spirit and the Word of God. Even so, come Lord Jesus!

Mormonism is a Satanic Cult!

Mormonism is part of a massive Satanic

deception, which is composed of most of the world's religions. Satan is the god of this world (2nd Corinthians 4:4), and he controls the world through occult organizations, such as *Freemasonry, Skull and Bones, Rosicrucians*, etc. [Joseph Smith was a Satanic 33rd degree Freemason](#), who worshipped the Masonic god, Baphomet (as pictured to the right). Masons are prohibited from ever praying "in Jesus' name" in ANY lodge.

Freemasonry denies the Biblical declaration that Jesus Christ is the ONLY way to Heaven (John 14:6). Just as *New Age*, Freemasons teach that there are many paths to the light. The Word of God condemns this philosophy as damnable heresy (Acts 4:12).

While doing research on the cult of Mormonism, I came across several articles on the internet authored by Lance S. Owens. At first it appeared that Mr. Owens was against the Mormon cult, with such article titles as *Joseph Smith and Kabbalah: The Occult Connection*. Then I read the following quote on his [website](#)...

This work was originally published in *Dialogue: A Journal of Mormon Thought*, Vol. 27, No. 3, Fall 1994, pp. 117-194. The paper received considerable notice, and in 1995 the Mormon History Association recognized *Joseph Smith and*

***Kabbalah: The Occult Connection* with its annual award for the best article in Mormon studies. There is an ongoing demand for this paper but unfortunately *Dialogue* sold out its entire printing of the Fall, 1994 issue within a few weeks. Most academic libraries will have *Dialogue* in their collection of journals for those seeking a print copy.**

Lance S. Owens is NOT a Christian and his writings openly reveal that Mormonism is connected with the occult. Oddly enough, the Mormons readily admit their occult roots. Joseph Smith was a heretic! Unbeknownst to many people, Joseph Smith (the founder of Mormonism in 1830) was a 33rd degree Freemason, as was Charles Taze Russell (the founder of the Jehovah Witnesses in 1874). Those who understand the Satanic roots of cults, such as Freemasonry and Rosicrucianism, know that Kabbalah is greatly revered in such groups. [Kabbalah is of the Devil.](#)
