In Jesus name, I forbid satan to work through

against me today.

I release: the fruit of the spirit: love, joy and peace at my job (or other location) today.

I release: the love of Jesus at my job (or other location) today.

I release: the power of God at my job (or other location) today.

I release: the anointing of the Holy Spirit at my job (or other location) today.

In accordance with Hebrews 1:14, I call forth angels to my assistance today. I call warrior angels forth, with swords drawn, to surround me and journey with me today as I go about. I call forth legions of warrior angels to surround

my job (or other location) and stand guard that no evil or unclean thing would enter in.

I call forth ministering angels to minister unto me and to others: that the broken would be healed, the hurting would be comforted, and all would know that you are the Lord of Lords, the King of Kings, The Lord of Host, The one true and living God, my Lord and savior Jesus Christ. Let every knee bow to your glory this day, and let your name be exalted on high by every mouth confessing you as the Christ.

Lord Jesus, as I go about, praising your name and professing your name before men, let my praise echo across the skies of heaven, let my praise of you, before men blend with the harmony of your heavenly choir. Bless me Lord Jesus with the sweetness of praising you in good times and in bad. May my praise of you come before your throne as a sweet smelling savor.

Lord Jesus, let your spirit so shine from my face this day, as the face of Moses, when the children of Israel could not steadfastly look upon him for the glory of his countenance. Let every demon and evil spirit flee in terror at the presence of your glory shining from within me. Let every heart be comforted by the presence of your glory in me. Lord it's my prayer today, that any that I would physically touch Lord, that they

would be filled with your love and the love of the saints: the height, the breadth, the depth of your tenderness, your love for them and the joy of your kingdom. With rivers of living water let your love flow from breast to breast today from every person who has named the name of Christ. Grant me Godly favor in the hearts of men

I anoint this temple (placing oil on the forehead) in the name of Jesus, declaring this temple Sanctified, Justified, Holy, Righteous and Redeemed.

In Jesus name, Amen.
