

**To be declared out loud.**

**(References: Deuteronomy 5:7-10; Deuteronomy 28; Nehemiah 9:1-3; Daniel 9: 4-11)**

**Heavenly Father, I honor my father and mother, my grandparents, great-grandparents and great-great grandparents and all my ancestors you have given me. But I repent of all their sins and iniquities. Including the sins of making carved images and worshiping the likenesses of things in heaven above, things in the earth, and in the water under the earth. I repent and renounce Shinto and all that it stands for, especially, the "way of the gods."**

**I repent for my ancestors having bowed down to worship these images and likenesses, and to serve them, for you the LORD are a jealous God, visiting the iniquity of our fathers on the children to the third and the fourth generations.**

**I repent of my ancestors religious participation in Norito, reciting, chanting, commanding and decreeing ancient Japanese ritual spells and calling them prayers, I repent and renounce all forms of Norito-koto or "words for reciting a spell". I renounce all oaths entered into by my ancestors.**

**I repent and renounce the pagan practices of my forefathers who were deceived by customs and traditions of men, and practiced necromancy, the worshiping of the dead.**

**I repent of the blind imitations of customs, behaviors, actions and attitudes of my ancestors**

**who worshiped foreign gods, who are really no gods at all, rather evil principalities, rulers of regions of darkness and spiritual wickedness in the heavenly realm. I repent and renounce the bowing twice, clapping of hands twice and bowing again to honor shrines or "jinka" and the treating of these shrines as sacred.**

**I renounce the honoring, reverencing and worshiping of the "kami" or gods and spirits believed to be in objects and in particular locations.**

**I repent and renounce the belief and worship of Shinto gods and the belief that they take the form of things and concepts important to life, such as wind, rain, mountains, trees, rivers and fertility. I repent and renounce the revering of ancestral kami and i rebuke the lie that all humans become kami after they die.**

**I repent and renounce the belief that the Shinto rituals keep away evil spirits by purification, prayers and offerings to the kami. For the only power over evil spirits is the Lord Jesus Christ.**

**I repent of the spiritual adultery against you father, through my ancestors honoring, worshiping and attributing only that which belongs to you alone. Please forgive me and my ancestors for provoking you to jealousy and wrath through generations of spiritual adultery.**

**I repent of my ancestors praying to ujigami , "guardian gods or spirits of a particular place" for the protection from sickness, for success in endeavors, and for good harvests. For you alone are the one who blesses, protects and gives success.**

**I repent for my ancestor's belief in the lie that the emperor of Japan was incarnate divinity, god in the flesh and that the Japanese Imperial Family was the offspring of the sun goddess Amaterasu. I repent for the honoring and reverencing the Japanese emperor as "a god who is a human being", and the referring to him as the "Sovereign Grandchild". This is a satanic lie and an abomination to you, for Jesus Christ was the only man who was truly deity.**

**I also repent and ask your forgiveness for all illegitimacy within our family line all generations back.**

**Please have mercy on us for the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth. For what can be known about you is plain to them, because you have shown it to them. For your invisible attributes, namely, your eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So we are without excuse. For although my ancestors knew you, they did not honor you as God or give thanks to you, but they became futile in their thinking, and their foolish hearts were darkened. Claiming to be wise, they became fools, and exchanged the glory of the immortal God for images resembling mortal man and birds and animals and creeping things. Therefore you gave them over to kingdom of darkness because they exchanged the truth about you for a lie and worshiped and served the creature rather than the Creator, who is blessed forever!**

**I repent and renounce the lie of my ancestor's belief in the Sovereign Deities, Sovereign Ancestral gods and goddesses of Shinto. I repent and renounce all worship and honor given by my ancestors to these so called Sovereign Deities. I repent of, renounce and rebuke the Sovereign Deities of the Grain.
