

Tattoos

Tattoos have been common among the pagan people all over the world for thousands of years. Did Jesus or his people have any tattoos? Never have seen where they did and for sure not Jesus. It is certainly common today with people who come for ministry. Numerous times I have had demons in their manifestations disclose this is a legal right or entry for that person. The good news: With ALL power that we have been given in Jesus' Name we can do something about it. We can have the person repent, neutralize the tattoos and rebuke all related spirits.

Good scripture on this: 1 Corinthians 3:16-17, Do you not know that you are the temple of God and that the Spirit of God dwells in you? If anyone defiles the temple of God, God will destroy him. For the temple of God is holy, which temple you are.

If we have messed up on this the good news being we can:

- 1. Repent of defiling our temple**
- 2. Ask forgiveness**
- 3. Then neutralize the tattoos spiritually including any toxicity with the ink in Jesus' Name**
- 4. Then command any demons of the tattoos or ink to go.**

If we have messed up on this the good news being we can repent of defiling our temple, asking forgiveness, then neutralize the tattoos spiritually including any toxicity with the ink in Jesus' Name, then commanding any demons of the tattoos or ink to go. The Blood is greater if we will apply it to our lives.
