Vietnam Veterans and Other Service Related Curses:

The following information pertains to all veterans as well as their family lines. If you, your father, or an ancestor fought or trained for any war, or were overseas in any military capacity, it is strongly suggested that you pray the following prayers for your entire family line.

Curses were put on Vietnam Veterans by Buddhist priests, which include:

- poverty
- anger
- wandering
- never finding rest
- vagabond
- rejection
- binding of the minds
- chronic illness
- lack of normal family (marriage) life
- accident prone
- untimely death

These curses need to be broken, and after breaking the Buddhist curses, you will be able to receive complete deliverance.

(Many Veterans also have the spirit of drugs and addiction from the drugs that were given to them during their tours. Also a spirit of illegitimacy may be present from womanizing the foreign women and having illegitimate children, therefore we will follow this prayer with prayers to break addictions and the curse of illegitimacy.)

Begin to pray in this way:

I renounce and forsake all involvement in Buddhism or any other mystic eastern religion that forsakes the God of the Bible and His Son Jesus Christ as King of kings and Lord of lords.

Father on behalf of myself, my family, and my ancestors, I ask forgiveness for and renounce all idolic worship and witchcraft participation in any capacity, and especially during my tour or my ancestors tours in the armed services.

I forgive all people in the foreign lands for witchcraft and curses against Americans, me and my relatives; for deep hidden anger, bitterness, resentment, and hatred of Americans; for cursing our land and people, me and my family; and for worship of demons. I forgive the Americans that mistreated, murdered, or otherwise treated people in the foreign lands unrighteously. I repent for any involvement I have had with any of these unrighteous acts myself. I also ask you Heavenly Father to forgive me for these sins and to separate and cut me off from them and their effects.

I renounce the feelings and spirits of rejection. I break all agreement with the enemy and his lying spirit. I repent for believing the lie that I did not or do not belong in America. I am an American and my home is in America. I receive back my citizenship in my heart and my belonging.

I break off the wondering and vagabond spirits. I break off the restless spirit and I speak peace to myself and my family, "Shalom".

I break off the spirit of death and murder from me and my family. I speak life to myself and my family. The Lord says, " LIVE!!!"

I forgive those who were my enemy in battle. I forgive anyone in Vietnam or in the military who hurt me or my family. I forgive those that instructed me to do illegal or immoral acts and I also forgive my superiors that did not protect me as they should have done.

I forgive the American Government and anyone who hurt me by their words before I went in the service or after I returned. I forgive all those associated with my military service where I took offence against them, specifically because of their rejection of me.

I break every dedication, death, and destruction curse, any curses of any kind, every bondage, or any work of the enemy off my life, family and bloodline in Jesus' name. I command any satanic spirits to take your influence, oppression, and what you have sown, and go with it from me, my family, my household, my bloodline, my descendants, and my ministry in Jesus' name. I demand that you make restitution by repairing all damage you have caused me and my family and restore sevenfold what you have stolen from us in the name of Jesus... Thank you, Jesus, my Lord and Savior for restoring me and my family.

FOR KOREA/IRAQ/AFGHANISTAN/PAKISTAN/OR ANY OTHER PLACE

It is vital that you break off and send away all evil beings that you received or were sent your way. You must also cast out all demons having to do with these curses that were placed on you.

Pray in this way and break off the following curses specifically:

Father on behalf of myself, my family, and my ancestors, I ask forgiveness for our parts in causing the following curses to come to our family. If they have, I repent, rebuke these curses and renounce these curses that may have been placed on me or my ancestral line for our military service:

Father, I rebuke the spirit of _____ in the name of Jesus.

... and I renounce and command all these spirits to go now, in the name of Jesus. Father, I repent of entertaining and allowing these spirits to have access to my life. Thank you, Father, for forgiving me. Thank you, Jesus.

I further repent for and renounce all contact with anything satanic or of the occult.

I further break all ties with the sin and misconduct of the past and I break and destroy the effects of their curses.

I now proclaim freedom from every part of my life, every part of my being, through the Blood of Jesus and in His Name.

I receive the light and life of Jesus in every place where the pain and curses have been. And I declare the mercy and love of God to rest on my life and my family's life. Amen.

Prayer for Breaking the PTSD Curse

"Heavenly Father, in the name of Jesus, I am truly Your child. I have been purchased by the Blood of Jesus. I belong to You, I do not belong to the devil, my enemy. The enemy has no right to me and no power over me because of the precious Blood of Jesus. Father, You have known my sins. I confess them all. I repent of all of them now. I ask You to forgive me. Forgive me of every sin and remove the stains from my heart and from my life, for Your Word tells me that when I confess my sins, You will forgive me and will cleanse me of all unrighteousness. I confess those sins to You that the power of the curse might be broken through the shed Blood of Jesus - Blood that was also shed for me.

I reject and remove the curses of Post Traumatic Stress Disorder and the label that comes with it, whether by well-intentioned medical practitioners, or others. I remove the mind-blocking spirits and spirits of avoidance, in the name of Jesus, and I put the Blood and the Cross of Jesus Christ between me and them. I rebuke the lie that anything that happened during my military service was 'my fault', and state and believe that my service was

well-intentioned. For the things I did wrong and where I committed sin during my service, I repent to You Father, and I ask you to forgive me. I thank You for forgiving me Father! I ask you to restore to me my sense of belonging to You first of all, and to my family, friends, and others You are bringing into my life. I refuse the spirit of hopelessness, and I rebuke and renounce it in Jesus' name. I ask you for your love, compassion, passion and caring for myself and all others in my life. I receive your gift of forgiveness, love, restoration and hope. I ask You Lord Jesus to place Your Blood on my memories, cleansing me, forgiving me, and renewing my mind as Your Word says You will do! I believe You and receive from Your hand a spirit of Power, Love and a Sound Mind.

I take back all ground I ever yielded to the devil and establish my faith in the Lord Jesus and I claim the blessing rather than the curse. I believe in Your power through the Holy Spirit, Lord Jesus. I believe in Your redemption for me. I believe in my heart that You are my Savior - You are my Deliverer.

"Father, I now open myself to receive Your blessings in every way You want to impart them to me. In Jesus' name."

Prayer to Break the Spirit of Illegitimacy

Heavenly Father, I come to You with a humble heart, letting go of all pride and arrogance. I ask You in the name of Jesus Christ to

*forgive me for my involvement in the conception of illegitimate children. Father, I ask You to forgive me for breaking Your commandment by committing fornication and having sex outside of marriage. By entering into the sin of fornication and becoming pregnant out of wedlock, I confess I have partnered with demons spirit and brought a curse into and on my life and the life of my children. **I know that this curse starts at the time of conception.** Even if I aborted the child the curse is still there.*

I break the curses of incest, rape, immorality and the illegitimate child. I break spiritual roots to any diseases brought about by these curses. I break every witchcraft, Buddhist, Voodoo, or other curse on me and my descendants back to the time before me or my family members when to war.

Father, I break the power of my decisions and actions that opened the door for the seducing spirit of lust. I break the power of these decisions and actions that would allow for these spirits to be transferred to my child or children. (Name the names of your children) Because You gave Your Son's life for us on the Cross – I am free to approach Your throne and I confess and repent for these sins and ask You Father, to restore me and my family to the congregation of the Lord. Father, In Jesus Name, I **break** and **cancel** these curses off myself and my children. (Name the names of the children)

I command the Spirit of Illegitimacy to leave me, my children, and my family now. Father, I lift myself and my children to You for Your cleansing of my sin.

I confess and repent of breaking your commandments, the sin of fornication and the conception of a baby outside of marriage.

Father, this is not my child's fault and he/she did not ask for this curse. Father, in the name of Jesus, please restore my children to your congregation and give him/her full access to your throne and to You as a member of the family of God with all rights restored.

Father, the fact that my child was conceived out of wedlock does not mean that he/she was not a welcome part of our family, but I am being obedient to Your Word – I am confessing, repenting, and renouncing, breaking, casting out this sin, curse and spirit from among us.

*My child, _____ **is LEGITIMATE** from this day forward **there is no sin – IT HAS BEEN WASHED CLEAN – it is under the BLOOD of Jesus.***

*Father, I **repent** for my behavior, and the behavior of my ancestors, going back ten generations. I know that I cannot change their judgment, but I know from Your Word Father, that Jesus died on Calvary's Cross **to redeem me from all curses**, but especially right now I ask You Father, to redeem and deliver me from the **CURSE OF ILLEGITIMACY**. I ask You Father, to restore the blessings in and on our lives, and so that we can come freely into the congregation of the Lord, having sweet fellowship, worship, and intimacy with You. I thank You Father for Your faithfulness, and I receive Your forgiveness and mercy. Help us break any habits or sin patterns we may have formed from living under this heavy curse, in the name of Jesus Christ I pray and thank You for the deliverance.*

Pray a Blessing on the Child Born Out of Wedlock

(Put their name in the blank)

*Father, in the name of Jesus, I bless _____ with the **SPIRIT of ADOPTION** by You. You are his/her Father. He/She is cleansed from any unrighteousness. I bless _____ with the healing of all wounds from the past. You are _____'s heavenly Father, he/she is Your son/daughter and is in line for all the blessings and promises of Your Word, and is a joint heir to You Lord Jesus. Thank You for Your forgiveness and restoration to my family.*
