

# **WARFARE PREPARATION**

## **FOR MINISTRY**

**As Deliverance ministers we pray, agree, and declare over those who are being trained, those that have signed up for ministry on any Monday night, for those that are coming for ministry, and for those who have received ministry in the past...**

- 1. We declare that the demons are cut off from all communication and help from other demons and Satan.**
- 2. We declare that the demons are confused and weakened in their hold on the person.**
- 3. We declare that the person is strengthened in their faith to understand their position in Christ and are trusting and obeying God's Word.**
- 4. We declare that the person is able to distinguish between his thoughts and feelings, and those of the enemy.**
- 5. We declare that the person does recognize the demonic presence and is not confused or afraid, but proactively seeks godly counsel and effective ministry.**
- 6. We declare and ask that God would protect and guide His children and set angelic forces at work to break up every scheme of the enemy.**
- 7. We call on warring angels to gather around each individual with swords drawn, doing battle against the forces of darkness so that we, as ministers, may heal the broken hearted, cast out demons, and heal the sick, releasing the fullness of the Holy Spirit.**

**In Jesus' Name, we agree.**
